The Lyon County Herald comes
out strong for Prof. Hamlett for
Superintendent of Public Instruc-
tion.

Congressman Stanley has come to
the front in the Democratic congress
in a manner that fills his friends with
pride. It was in Owsley all the time
but Uncle Joe's lid was on him as
well as other Democrats.

You can't keep a good man from
rising. Bob Brown, managing edi-
tor of the Louisville Times, was
elected President of the Southern
Publishers' Association, which met
in Louisville last week.

Miss Annie Morecroft, the little
Boston lass, who won fame among
athletes the country over by her
long distance swimming in New
England waters last summer, is to
open her second season by swimming
the Cumberland River here next
week. She will start at the cit-
ywharf and will swim up the river

and back, remaining in the water
about one hour. Miss Morecroft
holds many long distant records of
note and has a number of the most
difficult aquatic feats to her credit.
She swam from Boston to Boston
Light House and from the Battery
to Coney Island, New York. She
holds the world's record for the
twenty-five mile swim, which she
made from Revere Beach to Nahant
and return. She crossed the treach-
erous Hull Gut in Boston harbor,
where the celebrated Capt. Webb
failed, at flood-high tide. Miss
Morecroft is a native of Revere, Mass.
She has been swimming for records
a little more than a year and has
already broken practically every one
made on this side of the Atlantic.—

Saved His Wife's Life.

"My wife would have been in her
grave today," writes O. H. Brown,
of Muscadine, Ala., "If it had not
been for Dr. King's New Discovery.
She was down in her bed, not able
to get up without help. She had a
severe bronchial trouble and a dread-
ful cough. I got her a bottle of Dr.
King's New Discovery, and she soon
began to mend, and was well in a
short time." Infallible for coughs
and colds, its the most reliable reme-
dy on earth for desperate lung
trouble, hemorrhages, lagrippe,
asthma, hay fever, croup and whoop-
ing cough. 50c, \$1.00. Trial bottle
free. Guaranteed by all druggists.

Shoot From Airship.

Laurence D. Willis, a former Trigg
county boy who has been living in
Wilmington, Delaware, for the past
five years, is to try his hand as ex-
pert rifle shot from an aeroplane.—

A Peek Into His Pocket

Would show the box of Bucklen's
Arnica Salve that E. S. Loper, a
carpenter, of Marilla, N. Y. always
carries. "I have never had a cut,
wound, bruise, or sore it would not
soon heal," he writes. Greatest
healer of burns, boils, scalds, chapped
hands and lips, fever-sores, skin-
eruptions, eczema, corns and piles.
25c at all druggists.

Prof. Thomas Re-elected.

Prof. A. P. Thomas has been re-
elected principal of the Cadiz Grad-
uate schools.

Lightning Kills Few.

In 1906 lightning killed only 169
people in this whole country. One's
chances of death by lightning are
less than two in a million. The
chances of death from liver, kidney
or stomach trouble is vastly greater,
but not if Electric Bitters be used,
as Robert Madison, of West Burling-
ton, Ia., proved. Four doctors gave
him up after eight months of suffer-
ing from virulent liver trouble and
yellow jaundice. He was then com-
pletely cured by Electric Bitters.
They're the best stomach, liver,
nerve and kidney remedy and blood
purifier on earth. Only 50c at all
druggists.

Woman Beat the Men.

Albany, N. Y., June 14.—For the
first time in the history of the Al-
bany law school a woman carried off
the highest honors of commencement
this year. Miss Hazel M. Cole, of
Springfield, Mass., has been award-
ed the Joseph H. Benton prize for
excelling in class standing. She al-
so won the White prize for the
second best examination on corpora-
tion law.

A Terrible Blunder.

To neglect liver trouble. Never
do it. Take Dr. King's New Life
Pills on the first sign of constipation,
biliousness or inactive bowels and
prevent virulent indigestion, jaun-
dice or gall stones. They regulate
liver, stomach and bowels and build
up your health. Only 25c at all
druggists.

Down in Trigg.

Dr. J. H. Lackey and D. H. Hill-
man are candidates for representa-
tive in Trigg. Other candidates are
expected to enter the race for the
Democratic nomination.

Many ills come from impure blood.
Can't have pure blood with faulty
digestion, lazy liver and sluggish
bowels. Burdock Blood Bitters
strengthens stomach, bowels and
liver, and purifies the blood.

Operators Held to Account.

In France the operators of aero-
planes are held responsible for dam-
age done to persons or property when
coming to the earth. In two cases
such operators have been found guilty
of homicide and punished, although
the punishment was not as great as
that for other forms of the same crime.

TELESCOPIC TANGLE.

A ruralite approached the clerk in
a pawnshop and, looking all about
him, inquired:
"Keep telescopes here?"
"Yes, sir," replied the clerk,
"want to see some?"
The man nodded and the sales-
man soon returned with a spyglass.
"Here's the best one we have in
the place."

The stranger looked at the glass
in disgust a moment, then he
blurted:

"That's a fine thing to put clothes
in, isn't it? Do you take me for a
burlesque actress?"

CAUSE AND EFFECT.

"The prima donna of our com-
pany has, all the critics agree, a vel-
vet voice."

"I suppose that accounts for the
pile up of the prices."

GETTING AT THE FACTS.

Minnie—What's the matter, John-
ny?
Johnny—Toothache.

Minnie—Got a cavity in it?
Johnny—Naw. Got cotton in it.

He—Dear, I feel as if there is a
dark lookout before me today.

THERE is a great deal of dif-
ference in fountain pens. A
cheap and nasty fountain pen
wastes your time and temper,
besides wasting your money.

IT does not pay us to
sell a bad fountain pen, for a
pen is man's closest companion, and he often
judges our other goods by the pen we've sold
him. Therefore, we sell only the best fountain
pens—the kind that will make a good impression
on you and bring you to this store as a regular
